Notes:

- applications are open to full- and part-time students in the UK who are registered for an undergraduate or post-graduate degree.
- each applicant will only be eligible for one award per year
- application forms must be received by the SMR Secretariat at least 5 weeks prior to the meeting in question

- no more than five students bursaries will be awarded per meeting and "first come first served".
- bursaries will cover registration and (in some circumstances) make a generous contribution towards travel costs supported by valid receipts
- applications must secure a signature of Head of University Department, to confirm student status.
- in the event that applications for bursaries exceed the available budget, the SMR Committee decision on which applications are successful will be final
